

Trade up to an amazing future

Imagine tomorrow as an Apprentice at Fonterra. Learning, developing, growing and thriving while immersing yourself in a place with a proud history... and a truly exciting future. Speaking of futures, you could soon be kick-starting a fantastic one as a Fonterra apprentice. Whether it's mechanical engineering, electrical or heavy automotive that sparks your interest, we have something for you. And that something is a four year pathway to qualification – learning from experts in their field, with support, challenge and opportunity every step of the way. So, if you're ready to take the first step toward a bright future, imagine tomorrow, today.

What you'll get:

- **HEAVY AUTOMOTIVE:** gain a NZ Certificate in Heavy Automotive Engineering (Diesel/Auto Electrical focus) and your Class 5 License in our fully funded apprenticeship
- **ELECTRICAL:** gain a NZ Certificate in Electrical Engineering (Industrial focus) and a full practicing license in our fully funded apprenticeship
- **MECHANICAL:** gain a NZ Certificate in Mechanical Engineering (Maintenance focus) in our fully funded apprenticeship

What we offer:

- A well-established apprenticeship programme in a world-class environment
- Focus on pastoral care and qualification support
- A 4-year (8000 hour) fixed term contract
- Monday to Friday day roster, 40 hours per week
- A full starting tool kit worth approximately \$3,000
- UniMed Health Insurance
- 5-weeks of paid annual leave
- Coverage of all training related costs during block course including meals, accommodation and travel

Who are we looking for?

- Achieved OR in the process of achieving NCEA Level 2 with Maths and English (all) + Physics (electrical only)
- An interest and aptitude in hands-on engineering work
- A passion to qualify and build a career in your chosen field
- Restricted driver's license (by the time you start the apprenticeship)
- Keen interest in solving problems, a curiosity to learn and being able to work in different situations with different people
- Completion of a pre-trade course in a related subject would be awesome, but not a necessity
- New Zealand citizen, Australian citizen, or Permanent Resident in New Zealand
- 16 + years old
